

RESOLUTION NO. 92-125

=====

A RESOLUTION OF THE LODI CITY COUNCIL
ACKNOWLEDGING THAT THE REGIONAL GROWTH MANAGEMENT TASK FORCE HAS COME
TO THE CONCLUSION THAT THERE IS A NEED TO SEEK A CHANGE IN THE CURRENT
PROCESS DEALING WITH ISSUES THAT ARE REGIONAL IN SCOPE THROUGH
THE SAN JOAQUIN COUNTY COUNCIL OF GOVERNMENTS.

=====

WHEREAS, issues facing San Joaquin County of regional
significance require the identification and enhancement of a
collaborative process for resolution; and

WHEREAS, the State's intent to bring about collective efforts at
the local government level may create additional layers of bureaucratic
structure that may or may not impact the original intent of the
legislation in resolving regional issues; and

WHEREAS, the Council of Governments should be the forum for
addressing regional issues; and

WHEREAS, there are particular issue areas where existing
structures provide an effective forum to address these regional issues;
and

WHEREAS, there is a need to establish the regional agency as a
defined forum for identification, analysis and debate about regional
issues, not the establishment of a new governmental entity; and

WHEREAS, the process established for this forum should be one
that evolves, through its members to support its role over time; and

WHEREAS, there is an essential need to enhance the involvement of
private sector leadership from throughout the region in the
consideration of actions on regional issues;

NOW, THEREFORE, BE IT RESOLVED, that the San Joaquin County
Council of Governments be identified as the regional forum in
facilitating a process of local governance addressing regional issues;
and

BE IT FURTHER RESOLVED, that the Council of Governments should be
considered to include habitat mitigation and air quality management
beyond those delegated or mandated today; and

BE IT FURTHER RESOLVED, that an expanded role for citizen input
be established, providing direct recommendations to the Board with the
composition of the Citizens Advisory Committee being made up of broad
representation of leadership from throughout the region; and

BE IT FURTHER RESOLVED, that the intent in the recommended
actions is that the Council of Governments will be a facilitator and
forum for regional issues and will not move to a position beyond this
role without the explicit approval of all of the local member agencies.
